

**Application for Exemption from Heavy Vehicle Driver Licence Requirements  
Undue Hardship  
Regulation 20(2), Road Safety (Drivers) Regulations 2009**

This form is to be used if you wish to apply for an exemption from the heavy vehicle minimum holding time **basis of undue hardship**.

Visit [vicroads.vic.gov.au](http://vicroads.vic.gov.au) and search 'Heavy Vehicle Driver Licence Requirements exemption' for more information about the process and requirements to apply for this exemption.

**To be issued with a Victorian heavy vehicle licence, you must hold a Victorian car licence.**

A hardship exemption will only be granted if undue hardship can be proven and VicRoads is satisfied that road safety is not compromised. Any exemption granted may result in conditions being imposed. You can read about these on the back of this application form.

**Note:** You are unlikely to obtain an exemption from the heavy vehicle driver licence requirements unless you have a clean driving record.

**Confirmation that an exemption has been granted by VicRoads must be obtained prior to making an appointment to take a Victorian heavy vehicle licence test.**

**Who is eligible to apply for an exemption?**

To be eligible to apply for an exemption, you must hold a current and valid Victorian car licence.

**When should an exemption be applied for?**

An application for this exemption can be made if you can demonstrate to VicRoads, by providing supporting documentation, that you or your immediate family will suffer **undue hardship** as a result of completing the heavy vehicle driver licence requirements due to the nature of your occupation, employment or family circumstances.

**What documentation must be provided?**

To support the application you need to provide:

- A letter from yourself addressing your hardship
- **Employment:** a letter from the employer or potential employer verifying the employment and identifying the hardship.

**Submit application**

You need to download this form and fill in the correct sections.

The form will need to be uploaded to [vicroads.vic.gov.au](http://vicroads.vic.gov.au), along with the supporting documentation to support your exemption application.

Once the application is submitted, you will receive a confirmation email from VicRoads.

**Outcome of the application**

You will be contacted within 15 working days of submitting your application.

If you have not been contacted you can call 13 11 71 with your driver licence number and the exemption application number for more information.

**If your driver licence is cancelled or suspended, any exemption may be withdrawn. This will have an impact on your licence when it is reissued or the suspension ends. If we decide to withdraw the exemption, you will be notified in writing and given an opportunity to show why you should be permitted to retain the exemption. If you don't respond to the notice within the required time, the exemption will be withdrawn without further notice.**

### Heavy Vehicle Graduating Licence Exemptions will be considered under the following categories;

Category	Eligibility requirements	Restrictions
	VicRoads may grant an exemption to the heavy vehicle graduation criteria, if the nature of the applicant's employment or family circumstances would cause hardship, and road safety is <u>not</u> compromised.	Restrictions imposed on the use of the heavy vehicle will end when the licence holder would have normally qualified for that category of licence under the heavy vehicle graduation criteria. Restrictions will be shown by the letter 'X' under conditions on the Victorian licence, operating outside the conditions is an offence. Restrictions are intended to minimise the road safety risks associated with inexperienced drivers.
