

DTP Accepted Tactile Ground Surface Indicators (TGSIs)

RDN 06-05

Version 3.0

Purpose: This list provides Department of Transport and Planning (DTP) accepted tactile ground surface indicators (TGSIs). Only DTP accepted TGSIs can be used on the declared road network.

Applicability: For product, application and installation details of accepted TGSIs, refer to specifications from the relevant product supplier.

Consultation should occur with the relevant Council for TGSi requirements on local roads.

Table 1: DTP accepted TGSIs

Supplier	Product name(s)	Contact details
